The Wellesley Congregational (Village) Church has an annual grants process that makes multiple awards in modest dollar amounts. We are particularly interested in awarding grants that:

- Provide direct service to persons, communities, or causes in need
- Will make a significant impact on the organization
- Provide meaningful volunteer opportunities for members of our church
- Have significant numbers of Wellesley Village Church members currently involved in volunteer opportunities

Each of the above four criteria will receive “points” as follows:

- 1 point –minimally meets criterion
- 2 points –meets criterion
- 3 points –significantly meets criterion

Points assigned to each criterion will be added for a total score. This will serve as a guide in our evaluation process.
